November 23, 2011

Self-Regulatory Organizations; C2 Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Related to Trading Halts

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 23, 2011, the C2 Options Exchange, Incorporated (“Exchange” or “C2”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated the proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is proposing to make a conforming amendment to C2 Rule 6.32, Trading Halts, as it relates to individual stock trading pauses in underlying stocks. The text of the proposed rule change is available on the Exchange’s website (<http://www.c2exchange.com/Legal/RuleFilings.aspx>), at the Exchange’s Office of the Secretary and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The individual stock trading pause pilot rule was developed in consultation with U.S. listing markets to provide for uniform market-wide trading pause standards for certain underlying individual stocks that experience rapid price movement. In conjunction with the pilot, C2 (and other options exchanges) adopted rules that provide that trading in the overlying options on an eligible stock would halt when the primary listing market for the underlying stock issues a trading pause.

The underlying individual stock trading pause pilot was recently expanded to include all NMS stocks.⁵ However, it is currently being revised to exclude all rights and warrants.⁶ In light of the revision to the underlying individual stock trading pause pilot, C2 is proposing a

⁵ The pilot list of stocks originally included all stocks in the S&P 500 Index, but it has been expanded over time to include all NMS stocks. See, e.g., Securities Exchange Act Release Nos. 62884 (September 10, 2010), 75 FR 56618 (September 16, 2010)(SR-CBOE-2010-065)(order approving expansion of the individual stock trading pause pilot to include all stocks in the Russell 1000 index and a pilot list of Exchange Traded Products) and 64735 (June 23, 2011), 76 FR 38243 (June 29, 2011)(SR-CBOE-2011-049)(order approving further expansion of the individual stock trading pause pilot to include all NMS stocks effective August 8, 2011).

⁶ See, e.g., SR-CBOE-2011-111.

conforming amendment to its Rule 6.32. Specifically, the Exchange is proposing to replace a reference to “an underlying NMS stock” with a conforming reference to “underlying eligible NMS stock” and to define the term “eligible NMS stocks” to mean NMS stocks, other than rights and warrants.

2. Statutory Basis

The statutory basis for the proposed rule change is Section 6(b)(5) of the Act,⁷ which requires the rules of an exchange to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. The proposed rule change also is designed to support the principles of Section 11A(a)(1)⁸ of the Act in that it seeks to assure fair competition among brokers and dealers and among exchange markets. The Exchange believes that the proposed rule change meets these requirements because it conforms the rule text to reflect the recent modification to underlying individual stock trading pause pilot to exclude all rights and warrants, which pilot promotes uniformity across markets concerning decisions to pause trading in a stock when there are significant price movements.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposal.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

⁸ 15 U.S.C. 78k-1(a)(1).

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(6)(iii) thereunder.¹²

A proposed rule change filed under Rule 19b-4(f)(6)¹³ normally does not become operative for 30 days after the date of filing. However, pursuant to Rule 19b-4(f)(6)(iii)¹⁴ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Including rights and warrants in the pilot program which may trigger a circuit breaker and be subject to a trading pause, even while the underlying security continues to trade, provides little benefit and has the potential to create confusion among investors. Excluding rights and warrants from the pilot program should minimize investor

¹² 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

confusion that could result from temporary trading pauses in these securities. For this reason, the Commission designates the proposed rule change as operative upon the date of this Notice.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
